A Message from Molly

It has been a remarkable year of growth and change for so many of our clients and investors, and Al. Neyer. From breaking ground on REI's newest distribution hub in Middle Tennessee to breathing new life into The Hayden, an iconic Ohio River tower, we are playing our part in helping our communities thrive. There aren't enough ways to recognize the passion, commitment, and contributions of our people who are fueled by making great impacts in all they do. With our tremendous team of nearly 200 employee-owners, our outlook remains strong – bring on 2023!
